Re: United States v. Robinson – S1 20 Cr. 461 (ER)

Dear Judge Ramos:

I represent Kenneth Robinson in the above-referenced matter. Sentencing of Mr. Robinson presently is scheduled for August 19, 2021. I write now to request that sentencing be adjourned for approximately two weeks, if that would be convenient for the Court. Mr. Robinson is on bail and not in custody, and has been compliant with all of the conditions of his bail. The reason for this request is that Mr. Robinson's wife recently tested positive for Covid and is in quarantine until the end of this week. Under these circumstances, I have been hesitant to meet with Mr. Robinson and as a result have not been able to complete a sentencing submission and prepare for sentencing. I am looking to adjourn sentencing for approximately two weeks with the preference, if possible, for sentencing to take place before I start what the Government in the EDNY has estimated to be a 3-week trial on September 13, 2021.

I have communicated by email with AUSA Peter Davis, who advised me that the Government has no objection to the adjournment requested.

Thank you for the Court's consideration of this request.

Respectfully submitted,

/s/  
John F. Kaley
